ALEXANDRIA, VA., SATURDAY EVENING, OCTOBER 21, 1905.

PRICE 2 CENTS.

No joy or pleasure on this earth quite equals that which comes into the home when baby arrives. Who can describe the happiness of man and woman, joined in wedlock, as they look upon the fragile, delicate mite that is blood of their blood

and flesh of their flesh? And who can depict the hopelessness and dejection that hover about the home where the wife is incapable of becoming a mother? Barrenness proceeds from some derangement of the distinctly feminine organs. Many of the common ailments known as "female troubles" cause it. Dr. Pierce's Favorite Prescription overcomes barrenness by stamping out diseases of women, and by healing and curing ulceration. It tones up the system, stops drains, and restores strength. During gestation it modifies morning sickness, gives elasticity to the overstrained parts concerned, makes the hour of baby's coming short and almost painless, and gives wonderful recuperative power to the patient. By making the mother strong and cheerful, it makes the little one healthy, vigorous, and good natured. Insist upon the medicine dealer giving you Dr. Pierce's Favorite Prescription when you ask for it. Substitutes are often dangerous.

Mrs. James W. Blacker, of 405 Catherine St., Syracuse, N. Y., writes: "Your medicine has done wonders for me. For years my health was poor; I had four miscarriages, but since taking Dr. Pierce's Golden Medical Discovery and Favorite Prescription I have much better health, and now I have a fine healthy baby."

For at one-cent stamps to cover cost of mailing only, you can get a free copy of that celebrated doctor book, the Common Sense Medical Adviser, 1008 pages, illustrated. Cloth-bound, 11 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

THE STRICKEN ROSE FROM GRIEF.

What a fortunate provision of nature it is, that deprives the rose of its bloom, when it is in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance are doomed forever. Nature always spares the suffering; she is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by failing hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Young Woman Confesses.

Mary E. Golding, the confidential clerk and cashier of the Larkin Soap Company in New York who declared, when she was arrested, on October 13, that she stole to support her aged parents and invalid sister in Buffalo, confessed yesterday that she gave most of the money to a young man with whom she was in love, and that the story of the mother and sister was fiction. She pleaded guilty in Special Sessions, and her confession was made in court in the form of an affidavit, when she came up for sentence. In her affidavit, the girl says in part:

"I became acquainted with Alexander G. Simmons, of Brooklyn, in April, 1902. I met him on a street car. From that time we began keeping company. We had been going out together until June, 1903, when he asked me for some money. I gave him \$10. After that I gave him from \$10 to \$25 at a time, two or three times a week, and these gifts I made from June, 1903, to the present time. October 11 was the last time I gave him money—\$14. All the money I gave this man I stole from the Larkin Soap Company. On May 4, I gave him \$200. For this sum he agreed to give me a promissory note, which he never did. 'The first money I appropriated to my own use was \$10. After August of this year I used no part of the stolen money on myself, as my conscience hurt me. I don't know how much I have taken—it may amount to \$6,000.'"

An examination of her room at 240 Hart street, Brooklyn, several days ago, showed a most varied and complete wardrobe, including street dresses and evening gowns, sufficient to crowd her room to its capacity. The young woman was seen in public places in company with the young man she named, and it was her expensive dresses that first directed suspicion toward her. The girl was remanded to the Tombs pending further investigation of her case.

Deserted Young Wife.

A dispatch from Cincinnati tells a story of the desertion of a young wife, which was revealed there yesterday through the resignation of J. K. Williamson, an operator in the service of the Western Union Telegraph Company. Williamson went to Cincinnati from Washington with his wife about six weeks ago, it is stated, and was given employment by the company as an "extra" man. He was an expert, but, after a short time, frequently took a day off.

Every evening about 7 o'clock his wife, a handsome woman, appeared with his lunch. Frequently when she arrived her husband would be absent, and then her eyes would fill with tears, but she never complained. Yesterday Williamson went to the office at an unusually early hour, and without any explanation handed in his resignation, at the same time leaving a letter with one of the employees for his wife. She appeared soon afterward, and, after reading the letter, burst into tears. To one of the women operators she said that her husband had deserted her and had informed her in his letter that he had resigned his position, advising her to return to her parents in Virginia.

Mrs. Williamson said that both her relations and those of her husband are prominent in Virginia. Williamson's father, she said, is president of a large coal company. She admitted that her marriage was a schoolgirl elopement. She is scarcely more than eighteen years of age. She did not reveal the name of her family or her former residence. It was evident from her story that Williamson had left her penniless.

Arrival of Steamer Amerika.

Displacing 1,000 tons more water than any other craft afloat, the new steamer Amerika, of the Hamburg-American Line, arrived at New York yesterday on her maiden voyage across the Atlantic.

Despite her displacement of 41,000 tons, the Amerika is not the biggest steamship in the world, the Baltic, of the White Star Line, being longer, wider and of greater tonnage than the new liner. The Amerika, however, is deeper than the Baltic. The new steamer has a length of 690 feet, a breadth of 74 feet and a depth of 53 feet.

The Amerika came from Cherbourg Mole to the Sandy Hook Lightship, 3,050 miles, in 7 days 17 hours and 12 minutes. While the vessel made an hourly average speed for the voyage of only 16.48 knots, she is capable of much more speed. In the passage from Hamburg to Dover she averaged 17.26 knots an hour.

The steamer carried 1,631 persons, including the crew. Except for one storm encountered on the banks of Newfoundland the maiden trip was without weather disturbances.

A Daredevil Ride

often ends in a sad accident. To heal accidental injuries, use Bucklen's Arnica Salve. "A deep wound in my foot, from an accident," writes Theodore Schuele, of Columbus, O., "caused me great pain. Physicians were helpless, but Bucklen's Arnica Salve quickly healed it." Soothe and heal burns like magic. 25c at E. S. Leadbeater & Sons, druggists.

Could Not Be Better.

The uniform success of Chamberlain's Colic, Cholera and Diarrhoea Remedy has won for it a wide reputation and many people throughout the country will agree with Mr. Chas. W. Mattison, of Millford, Va., who says: "It works like magic, and is the best preparation I know of. It couldn't be any better." He had a serious attack of dysentery and was advised to try a bottle of this remedy, which he did, with the result that immediate relief was obtained. For sale by Gibson & Timberman and W. F. Creighton & Co.
